

This is the Master List of Companies from the Reshoring Initiative®'s database of manufacturing companies that have chosen U.S. production over offshore. These include 5,264 cases of reshoring, foreign direct investment (FDI), and kept from offshoring (KFO). No part of this or associated Reshoring Initiative data may be used or published without prior written consent. Last updated January 31, 2021.
